Hi Daniel,

Thank you so much for supporting Teenage Cancer Trust. Your generous donation of **£12920** means our nurses and support staff can be there to give every young person with cancer the best care possible.

That could mean arranging activities, workshops and fun festive days out to bring young people on our hospital wards together. Or simply being there to listen and support.

If you ever want to check your current communication choices or change how we keep you informed about our work and other ways you can support young people with cancer such as fundraising, events, volunteering, donating and campaigning please let us know. You can get in touch with us by phone, email or by visiting our [website](#). We'd love to hear from you!
