Many hundreds of organisations have successfully advertised vacancies and events on Daniel Barnett's email bulletins, including:

**didlaw**

I hired two lawyers from the ad we placed with you. It's THE BEST method of recruiting - I wouldn't use anything else.

Karen Jackson, Solicitor and Managing Director, didlaw

**BATH PUBLISHING**

We've used Daniel's newsletter for several years now to help boost sales of our employment law books. We always know we'll get something back as his readers are obviously engaged!

David Chaplin, Bath Publishing

Being able to advertise through Daniels newsletters has really opened up a world of clients that we would otherwise not have access to and has led to considerable business, especially in a difficult economic time for many. Advertising has been stress-free with the ever present help of Jennie too. Highly recommend.

William Theobald, Talking Shop Training
